Re: Motion Response Relating to Equitable Language Access for All LPS Families

This memo is in response to a motion submitted by School Committee Member Dominik Lay on March 16, 2022:

Request the Superintendent provide a status update on translation services for FY22 and an analysis of the level of services required within the FY23 budget to ensure equitable language access for all LPS

Information on the district's Language Access Plan and current budget expenditures relating to language access services has been included in the Language Access Plan Update presentation which is being uploaded as part of the School Committee Agenda for the April 6, 2022 meeting.
